- 6) Drainage Plan for Lot
- 7) On plot plan, show centroid of the main building, with elevation of centroid, within the building limit lines, prior to any dirt work. **MUST IDENTIFY PERMANENT BENCHMARK LOCATION WITH ELEVATION.**

BRIEF DESCRIPTION OF WORK TO BE DONE:

Signature of Property Owner

Date

NOTE: BUILDING PERMIT DOES NOT include permits for yard drains, driveways, fences, plumbing, mechanical, or electrical. These permits must be obtained by the individual contractors doing the actual work.

ALL INSPECTIONS (Plumbing, mechanical, electrical, or insulation) must be done prior to any sheet-rock installation.

Any deviations from approved plans must have prior approval and be signed by the proper authorities.

Do the plans comply with the Plat Restrictions, City Codes and Restrictive Covenants?

_____ Yes

_____ No
